Petitioners are aggrieved by the proceedings for recovery of certain amounts said to have been spent by them unauthorisedly in connection with the election to the local bodies. According to the petitioners, in view of the peculiar facts and circumstances prevailing in the places where they were posted for election duty, on the basis of the directions issued by the District Collectors concerned, the amounts had to be spent for the smooth conduct of elections, lest they should have faced disciplinary action. Their grievances have not been considered by an independent authority with notice to them, it is submitted. It is further submitted that for all the expenditure they made, satisfactory explanation along with supporting vouchers have also been given, but unfortunately the same have not been properly appreciated by the District Collectors. Be that as it may, in view of the submission that there may be an opportunity before an independent authority, the writ petitions are disposed of as follows :-

There will be a direction to the Kerala State Election

Commission to look into the grievance of the petitioners that they have spent the disputed amounts only on the direction issued by the District Collectors, for the smooth conduct of the election, taking note of the peculiar circumstances prevailed in the respective places, with notice to them and if necessary with notice to the District Collectors at the relevant time also, and pass appropriate orders in accordance with law, within a period of four months from the date of receipt of a copy of the judgment. In order to enable the Kerala State Election Commission to pass orders as above, petitioners are directed to file a comprehensive representation before the Commission within one month from from today. Till orders are passed as above, interim orders passed by this Court will continue.
